OPINION OF THE INDEPENDENT AUDITOR

To the General Meeting of Bank Gospodarki Żywnościowej S.A.

Opinion on the Separate Financial Statements

We have audited the accompanying separate financial statements of Bank Gospodarki Żywnościowej S.A., with its registered office in Warsaw, 10/16 Kasprzaka Street ("the Bank"), which comprise the separate statement of financial position as at 31 December 2014, the separate statement of profit and loss and the separate statement of comprehensive income, the separate statement of changes in equity and the separate statement of cash flows for the year then ended and notes comprising a summary of significant accounting policies and other explanatory information.

Management's and Supervisory Board's Responsibility for the Financial Statements

Management of the Bank is responsible for the accuracy of the accounting records and the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, as adopted by the European Union and with other applicable regulations and preparation of the report on the Bank's activities. Management of the Bank is also responsible for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error

According to the Accounting Act dated 29 September 1994 (Official Journal from 2013, item 330 with amendments) ("the Accounting Act"), Management of the Bank and members of the Supervisory Board are required to ensure that the financial statements and the report on the Bank's activities are in compliance with the requirements set forth in the Accounting Act.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements and whether the financial statements are derived from properly maintained accounting records based on our audit. We conducted our audit in accordance with section 7 of the Accounting Act, National Standards on Auditing issued by the National Council of Certified Auditors and International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements and the accounting records from which they are derived are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including

the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management of the Company, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the accompanying separate financial statements of Bank Gospodarki Żywnościowej S.A. have been prepared and present fairly, in all material respects, the unconsolidated financial position of the Bank as at 31 December 2014 and its unconsolidated financial performance and its unconsolidated cash flows for the year then ended, in accordance with International Financial Reporting Standards as adopted by the European Union, are in compliance with the respective regulations and the provisions of the Bank's articles of association that apply to the Bank's separate financial statements and have been prepared from accounting records, that, in all material respects, have been properly maintained.
