Resolution No. 39

of the Ordinary General Meeting of BNP Paribas Bank Polska S.A. dated 27 June 2022

on the issuance of Series B Subscription Warrants, conditional increase of the share capital by way of issuance of Series N Shares, depriving the existing shareholders of the pre-emptive right to subscription warrants and pre-emptive right to Series N Shares, amendment to the Articles of Association and applying for admission of Series N Shares to trading on the regulated market

§ 1

Legal basis of the Resolution

Acting pursuant to Article 393 item 5, Article 430 § 1, Article 433 § 2 and 6 and Article 448-453 of the Commercial Companies and Partnerships Code, the Ordinary General Meeting of BNP Paribas Bank Polska Spółka Akcyjna (“the Bank”), in connection with the existing Bank’s Incentive Programme under which persons identified according to the Bank’s applicable procedures as persons whose professional activity has material impact on the Bank’s risk profile, shall receive part of the variable components of their remuneration in a non-cash form of shares in the Bank, resolves to pass this resolution under which the Bank can issue subscription warrants entitling to take up shares in the Bank.

§ 2

Reason for passing the resolution

As the activity of persons whose professional activity has material impact on the Bank’s risk profile, has material impact on the Bank’s value and its shares held by the Bank’s shareholders,

acting in the interest of the Bank, in order to reward, motivate and strengthen the connection of such persons with the Bank, the Ordinary General Meeting resolved, on the basis of the resolution passed today, No. 38 on the amendment to Resolution No. 3 of the Extraordinary General Meeting of BNP Paribas Bank Polska S.A. dated 31 January 2020 regarding implementation of an incentive programme for persons having material impact on the Bank's risk profile, amended by Resolution No. 37 of the Ordinary General Meeting of BNP Paribas Bank Polska S.A. dated 29 June 2020, to amend the existing Bank's incentive programme implemented pursuant to the Resolution ("the Incentive Programme") in such a way as to grant the Participants in the Incentive Programme the right to take up Series M Shares and Series N Shares. As the Incentive Programme assumes, following the introduction of the amendment, that the Bank shall grant to persons whose professional activity has material impact on the Bank's risk profile, the rights to take up subscription warrants entitling to take up Series N Shares in the Bank, the implementation of the amendments to the Incentive programme requires providing, on the Bank's side, possibilities to issue subscription warrants for such persons and Series N Shares which will be taken up as part of exercise of rights arising from such warrants. The purpose hereof is to create a legal basis for issuance of the subscription warrants and shares, enabling therefore implementation of the amendments introduced into the Incentive Programme.

§ 3

Issuance of Series B Subscription Warrants

1. After the conditional capital increase is entered into the register of entrepreneurs of the National Court Register, as provided for in § 4 of this Resolution, the Bank may issue Series B Subscription Warrants in the number not exceeding 1,200,000 (in words: one million two hundred thousand), entitling to take up ordinary, bearer Series N Shares of the nominal value PLN 1 (one zloty) each ("the Series B Warrants"), provided that Series B Warrants will be issued in the following series and in the following periods:

ENCLOSURE

**OPINION OF THE MANAGEMENT BOARD OF BNP PARIBAS BANK POLSKA S.A.
JUSTIFYING THE DEPRIVATION OF THE SHAREHOLDERS OF THE PRE-EMPTIVE
RIGHT TO THE SERIES B1, B2, B3, B4, B5, B6, B7, AND B8 SUBSCRIPTION
WARRANTS ISSUED BY THE COMPANY, AND THE DEPRIVATION OF THE
SHAREHOLDERS OF THE PRE-EMPTIVE RIGHT TO THE SERIES N SHARES**

This opinion of the Management Board of BNP Paribas Bank Polska S.A. constitutes a justification for the deprivation of the shareholders of the pre-emptive right to the Series B1, B2, B3, B4, B5, B6, B7 and B8 Subscription Warrants (“the Series B Warrants”) and the pre-emptive right to Series N Shares (“the Series N Shares”). Additionally, the opinion includes the justification of the free-of-charge issuance of Series B Warrants and the issuance price of Series N Shares. The opinion has been drawn up pursuant to Article 433 § 2 and 6 of the Commercial Companies and Partnerships Code.

Agenda of the General Meeting of BNP Paribas Bank Polska S.A. (“the Bank”) convened for 27 June 2022 envisages adopting the Resolution on the issuance of subscription warrants, conditional increase of share capital by way of the issuance of Series N Shares, depriving the existing shareholders of the pre-emptive right to subscription warrants and pre-emptive right to Series N Shares, amendments to the Articles of Association and applying for admission of Series N Shares to trade on the regulated market (“Resolution on Issuance”). If the Resolution on Issuance is adopted, the Bank shall issue no more than 1,200,000 (in words: one million two hundred thousand) Series B Warrants entitling to take up Series N Shares, whereas the Bank’s share capital is to be increased conditionally by the amount not exceeding PLN 1,200,000 (in words: one million two hundred thousand zlotys) by way of the issuance of no more than 1,200,000 (in words: one million two hundred thousand) Series N ordinary bearer shares with nominal value of PLN 1.00 (in words: one zloty) each. The entities entitled to take up Series B Warrants will only include the persons entered in the list of persons whose professional activity has material impact on the Bank’s risk profile, kept by the Bank pursuant to § 24 of the Regulation of the Minister of Finance, Funds and Regional Policy of 8 June 2021 on the Risk Management and Internal Control Systems, and Remuneration Policy in Banks (“Regulation”) or pursuant to the regulations that will supersede the Regulation.

The number of persons entitled to take up Series B Warrants may not exceed 149 (in words: one hundred and forty-nine). Series B Warrants are to be issued free of charge, and each Series B Warrant will involve the right to take up 1 (in words: one) Series N Share at an issuance price of PLN 1.00 (in words: one zloty) per 1 (in words: one) Series N Share.

The deprivation of the shareholders of the Bank of the pre-emptive right to Series B Warrants, the free-of-charge issuance of Series B Warrants and the issuance price of Series N Shares are justified by the fact that Series B Warrants and Series N Shares shall be issued in order to implement amendments to the existing Bank's Incentive Programme implemented pursuant to Resolution No. 3 of the Extraordinary General Meeting of BNP Paribas Bank Polska S.A. dated 31 January 2020, amended by Resolution No. 37 of the Ordinary General Meeting of the Bank dated 29 June 2020; as part of said Programme the persons whose professional activity has material impact on the Bank's risk profile, shall receive part of the variable components of their remuneration in a form of shares in the Bank ("the Incentive Programme"). The Incentive Programme is currently carried out based on Series A Warrants carrying rights to subscribe for Series M Shares ("Series M Shares"). As a result of coming into force of the provisions of the Regulation of the Minister of Finance, Funds and Regional Policy of 8 June 2021 on the Risk Management and Internal Control Systems, and Remuneration Policy in Banks ("Regulation") which have extended, as compared to the previous legal status, the deferral period for payment of the awarded Variable Remuneration, and given the limited number of Series M Shares and the deadlines for subscribing for them, a part of the Variable Remuneration, particularly the Variable Remuneration for 2021 in its part deferred until 2026 and 2027, may not be paid out in the form of Series A Warrants carrying rights to take up Series M Shares. In granting Series B Warrants carrying the right to take up Series N Shares to those persons it shall be possible for the Incentive Programme to continue operating in its existing form, i.e. they shall be granted the right to have the above-mentioned remuneration in the form of shares in the Bank. This justifies the need to deprive the existing shareholders of the pre-emptive right to Series B Warrants and the need to agree that Series B Warrants will be issued free of charge. In addition, fixing the issuance price of Series N Shares at a level compatible with the nominal value of Series N Shares, i.e. significantly lower than the market price of the shares in the Bank, stems from the fact that granting Series N Shares to the above-mentioned persons shall constitute a form of providing them with their remuneration for discharging their duties to the benefit of the Bank; therefore, it should result in those persons obtaining some financial benefit.

The deprivation of the shareholders of the pre-emptive right to Series N Shares is connected with the fact that only Series B Warrant holders shall be the entities entitled to take up Series N Shares. Fixing the issuance price, as specified above, is, therefore, an indispensable condition for the continued implementation of the Incentive Programme at the Bank because it is necessary for creating a legal way for Series B Warrant holders to obtain the right to take up Series N Shares, i.e. the right embodied in said Series B Warrants.

It is the opinion of the Management Board that the continued implementation of the Incentive Programme at the Bank and the resulting decisions included in the Resolution on Issuance with respect to the terms and conditions for the issuance of Series B Warrants and Series N Shares, as specified hereinabove, are in Bank's interest and are not against the Bank shareholders' interest. This results from the fact that the activities undertaken by the persons whose professional activity has material impact on the Bank's risk profile are of material significance for the Bank and its value. The taking up of Series B Warrants and, subsequently, Series N Shares by those persons will be of motivational significance to them and is to ensure their long-term relationship with the Bank. The additional justification for making the above-mentioned determinations is the fact that under the provisions of the Regulation the Bank is

obligated to provide the above-mentioned persons with a part of the variable components of their remuneration in a form of financial instruments. It is the opinion of the Management Board of the Bank that, for the above-mentioned reasons, depriving the shareholders of the preemptive right to Series B Warrants and Series N Shares is justified in light of the provisions of Article 433 § 2 and 6 of the Commercial Companies and Partnerships Code.
