

## PAYMENTS EXECUTION TIMEFRAMES

**Moment of receipt** of a payment order is the moment of its delivery to the Bank on the Bank's business day and until the clock hour indicated by the Bank.

**Acceptance of an order for execution** means the day from which the value date (D, i.e. the date/date on which the beneficiary bank's account is credited) is calculated.

		EUR TARGET	by 3.00 p.m.	current day (value date D)	after 3.00 p.m.	
		EUR	by 3.00 p.m.	current day (value date D)	after 3.00 p.m.	
			PLN	by 12:00 p.m.	current day (value date D)	
		from 12:00 p.m. till 3.00 p.m.		current day (value date D+1)	after 3.00 p.m.	
other	by 3.00 p.m.	current day (value date D+n where 'n' means first possible value date)	after 3.00 p.m.			

\* An urgent payment is being executed with first (earliest) possible value date, depending on its currency.

Urgent payments in PLN, USD, EUR, CAD, CHF, DKK, GBP, NOK or SEK exceeding an equivalent of EUR 5.000.000,00 require Bank's Treasury Department approval.

Urgent payments in currencies other than the specified above exceeding an equivalent of EUR 500.000,00 require Bank's Treasury Department approval.

Value date on the nostro account is the date of crediting/debiting Bank's nostro account maintained by a correspondent bank.

## OUTGOING PAYMENTS EXECUTION TIMEFRAME

- Outgoing payment transactions in EUR or PLN to other Member State or domestic banks or other domestic payment services providers are executed not later than:
  - by the end of the business day following the day Bank received payment order instruction submitted electronically,
  - by the end of the business day following the day Bank received payment order Instruction in a paper form regarding a payment transaction to be executed in full on the territory of the Republic of Poland, in PLN, to which the provisions of the following legal acts are applicable: the Act on Tax Law dated 29 August 1997 and Council Regulation (EEC) no. 2913/92 dated 12 October 1992 establishing the Community Customs Code (OJ No. L302 of 19 October 1992, page 1, as amended, OJ of the European Union, Polish special edition, chapter 2, vol. 4, page 307, as amended),
  - by the end of the second business day following the day Bank received payment order instruction other than instructions specified in sections a) and b) above, submitted in a paper form.
- Outgoing PSD Transactions in Member State currencies other than EUR or PLN, ordered to another Member State or domestic banks or other domestic payment services providers, are executed not later than by the end of the fourth business day following the day Bank received the payment order instruction.
- Other outgoing payment transactions are executed not later than by the end of the sixth business day following the day Bank received the payment instruction.
- Outgoing payment execution means crediting the amount of the transaction to the payment account of a bank or other payment services provider of the payee.
- Indicated timeframes may be extended in case of the Bank suspends execution of the payment transaction on the terms resulting from the documentation applicable to the account agreement, or generally applicable provisions of the law.
